

Dear Residence:

The City of Sandwich would like to inform you of maintenance work to the Green St. water tower. The tower will be sandblasted and painted with an estimate start date of September 11, 2023. A crew will be onsite for approximately 50 days with a projected end date of November 3, 2023. They will be working from 7:00 am to 7:00 pm Monday - Saturday. The sandblasting and outside work will be done the 1st few weeks of the project. A containment tarp will be in place around the tower throughout the sandblasting or when painting is being performed.
